Education and training

| | | |
|--|--------------|---|
| | 2012-present | Tertiary |
| Title of qualification awarded | | Bachelor of Science in Creative Computing |
| Principal subjects/Occupational skills covered | | Mathematics for Computing Introduction to Computing and the Internet Introduction to Java and Object-Oriented Programming Creative Computing I : Image, Sound and Motion |
| | | Database Systems Graphical Object-Oriented Programming in Java Software Engineering, Algorithm Design and Analysis Creative Computing II: Interactive Multimedia |
| Name and type of organisation providing education and training | | University of London International Programmes/St. Martin's Institute of IT |
| Level in national or international classification | | 6 |

2010-2012
Title of qualification awarded
Principal subjects/Occupational skills covered

Post Secondary
BTEC National Diploma in Computing
Computational Methods
Language and Communications
Computer Systems
Introduction to Software Development
Information Systems
Communications Technology
Web Development
Software Applications
Systems Analysis & Design
Programming Concepts
Programming Practice
Advanced Programming
Commercial Programming
Programming for Design
Website Management
Entrepreneurship
Software Project

Name and type of organisation providing
education and training
Level in national or international classification

Malta College of Art, Science and Technology/St.
Martin's Institute of IT
4

2007-2008
Title of qualification awarded
Principal subjects/Occupational skills covered
Name and type of organisation providing
education and training
Level in national or international classification

Post Secondary
EASA Part-66 Category A
Modules 1, 2, 3, 5, 6, 7, 8, 9, 10, 11, 15,17
Malta College of Art, Science and Technology
Institute of Mechanical Engineering, Paola
EASA Part-66 Category A1-Full Basic Course

2003-2005
Title of qualification awarded
Principal subjects/Occupational skills covered
Name and type of organisation providing
education and training
Level in national or international classification

Tertiary School
Maths and Physics at A-Level
Gan Frangisk Abela, Junior College, Msida
Grade D in Physics A-Level.

1998-2003
Title of qualification awarded
Principal subjects/Occupational skills covered
Name and type of organisation providing
education and training

Secondary School
Secondary Education Certificate
Maltese, Religious Knowledge, Italian, English, Mathematics, Physics,
Savio College, Dingli

Personal skills and competences

Mother tongue(s) **Maltese**

Other Language(s) English

Understanding (Listening) ✓
Understanding (Reading) ✓
Speaking (Spoken Interaction) ✓
Speaking (Spoken production) ✓
